Removing Weeds

This time of year, weeds become a more prevalent issue. We have heard from many homeowners who have received weed violations, confused about why they continue to get weed notices after they have just sprayed the weeds in their yards.

When you get a weed notice, please make sure you take an inventory of your entire yard. Do not only focus on the weeds that you believe caused the violation. Make sure there are no weeds in the entire yard.

Next, if you decide to spray your weeds, make sure you also remove the weeds. If dead weeds are left in the

yard they are still weeds and the violations will continue to progress. The only house not in violation is a completely weed-free yard.

If you have questions, please contact Renaissance at 480-813-6788 or come to a board meeting.
